

I might be old
but I'm pretty sure I'm not dead, yet.

And I've been told
I'm still pretty good in bed, you bet.

I spend most of my time
playin' golf and drinkin' wine

I hang out with my friends,
we shoot the breeze the fun never ends.

I relax out by the pool
and think about my youth, ah what a fool.

You don't ever need to ask me why

A Sun City Swinger never dies.

No I'll never die.

So if you're lookin' for me
There's only one place I'll be

Far from the ice and snow
East of Palm Springs near Indio

I got no more mountains to climb
I'm living the life and feelin' fine

I take one day at a time
I got no worries on my mind

And that's all I got to say
My dues are paid up on my golden days

I got clear blue skies and my piece of the pie

A Sun City Swinger never dies.

No I'll never die.

Like the count said let's have some fun
You only live once and when you're done you're done

The Chairman of The Board would look you in the eye
And say there's always somethin' shaken' come this July

Don't roll yourself up in no big ball and die!

Just spend some time with me
At the place you want to be

Far from the ice and snow
East of Palm Springs near Indio

We got no more mountains to climb
We're livin' the life and a feelin' fine

We'll take one day at a time
We got no worries on our mind

And that's all we got to say
Our dues are paid up on our golden days

We got clear blue skies and our piece of the pie
Sun City Swingers Never Die

No we'll never die
No we'll never die, My My
